# CREATIVE DESIGNER

Hello, I am Sulthoni, creative designer with a bachelor's degree in fine arts education who has been involved in the creative industry since I was in college. Working creatively in seeing all the possibilities that exist is my way of solving problems.

## Experience

### Re/Max 360

One year

I work as a Jr. Art Director for Re/max360 and PT Multi Kulener Nusantara. My primary responsibility is to execute all visual requirements for company needs, oversee all company visual assets, and convey visual concepts to the media team for the creative process.

### Grafis Huru-Hara

One year

I played the role of Workshop Tutor, weaving creativity into our workshop experience. In my role, I create great print media, captivating posters, and engaging modules that bring the essence of our workshop activities to life.

### Serrum Art Hendling

Two year

I work as a mural assistant in the mural division, my job is to help the team in the process of creating murals, as well as making installations for exhibition needs.
